B2G Global services Corp
(platform for B2Gists around the world)

Meet Mr. Smith

Age 42, | Business Owner

He is looking for a recurring and high-ticket business opportunity.

But, as most public procurement is still centralized and on-paper, It is hard for Mr. Smith to even enter the B2G market

Mr. Smith is not alone

No one is happy with the existing process

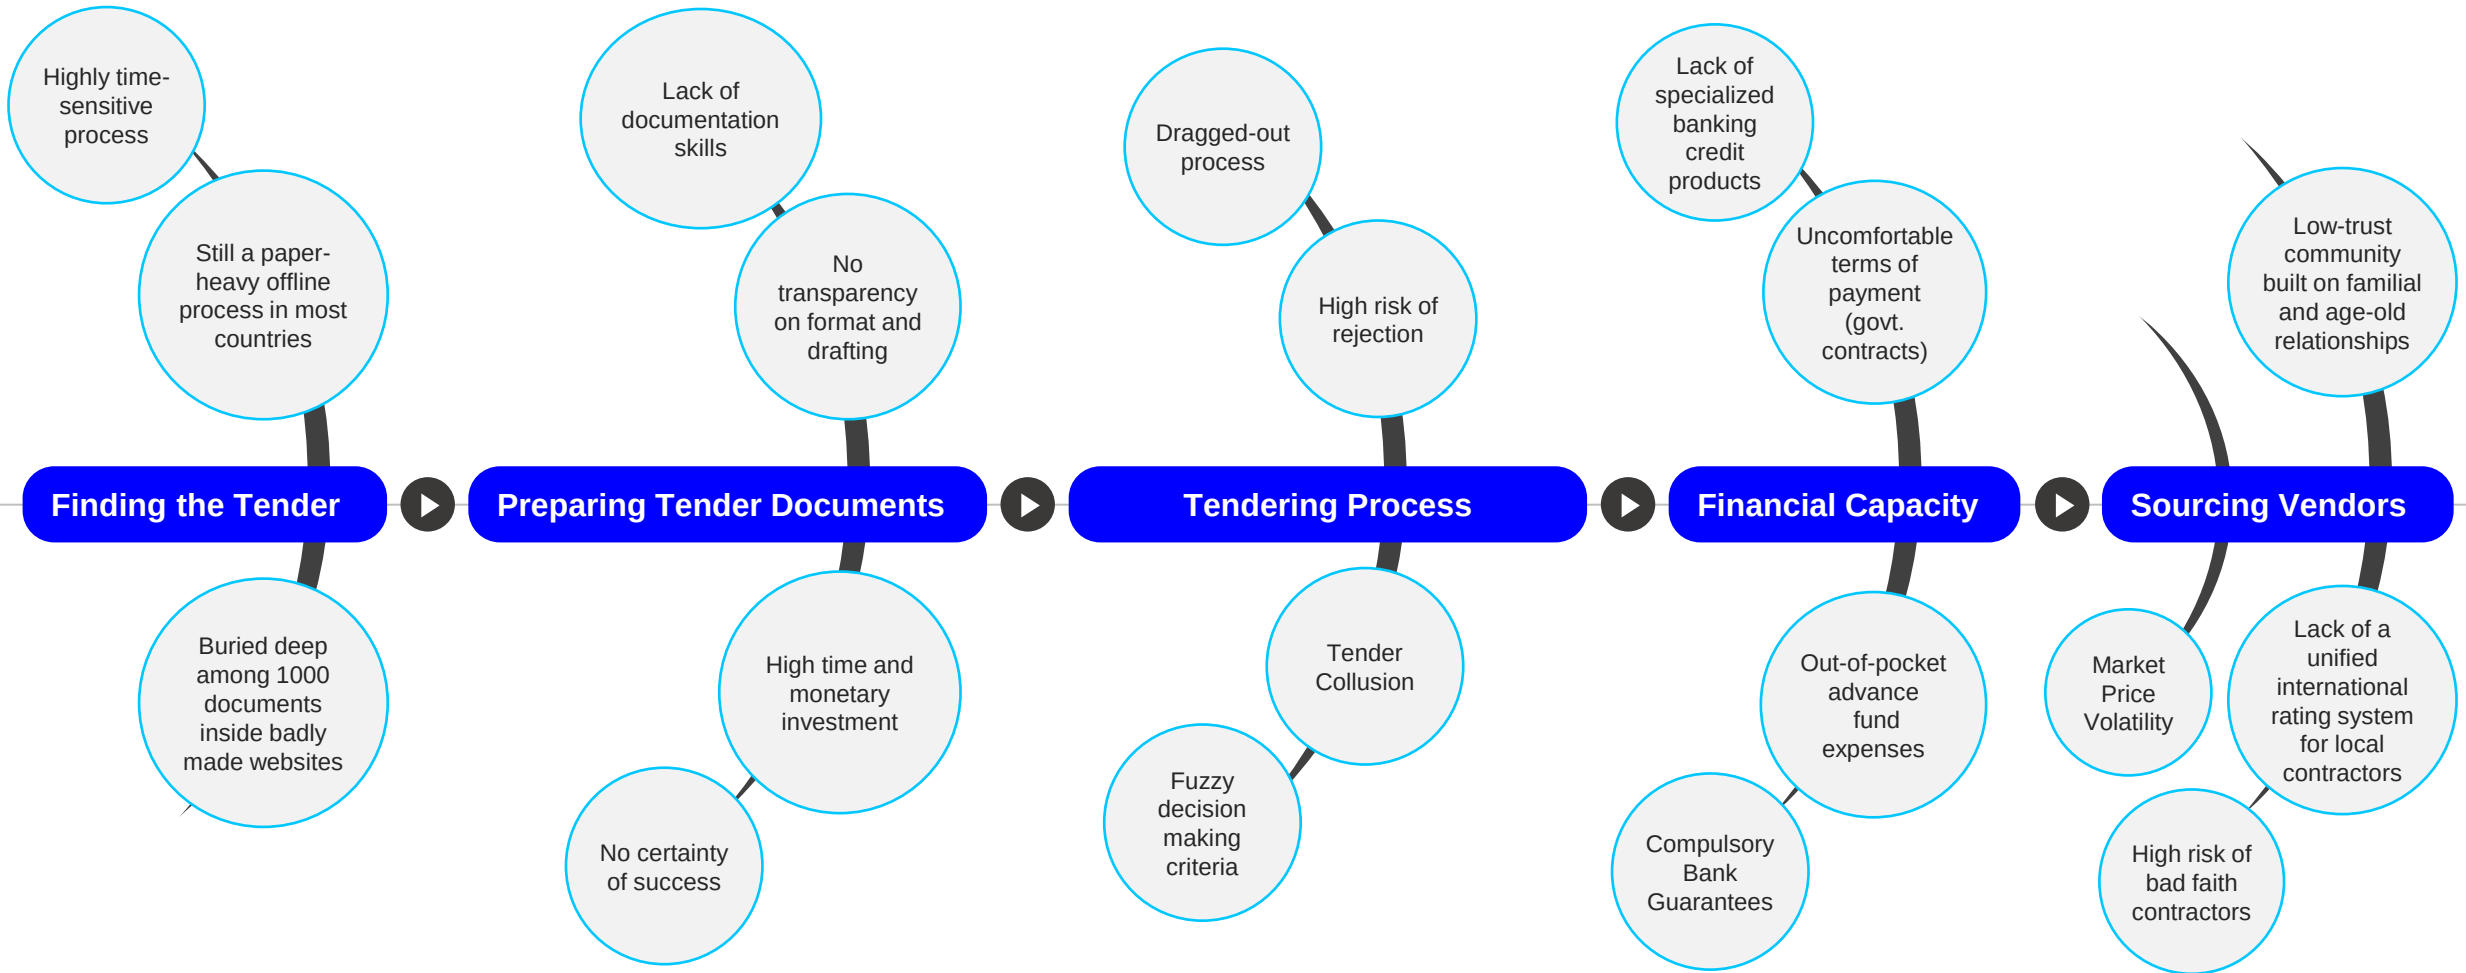

Governments	SMEs	Public	Investors
1. Low tender completion rates 2. Incentivizing corruption and inefficiency 3. Low quality suppliers 4. Extremely low competence levels or Pseudo-competition	1. Restricted access to the market 2. Lack of advance payment options 3. Limited access to capital 4. Insurmountable participation criteria 5. Corruption, Low winning probability and distrust of the state.	1. Sub-standard public goods 2. Delayed public asset creation 3. Doubtful efficiency in the use of budgetary funds 4. Lack of accountability and Corruption	1. Distrust in the market 2. Unwillingness to work with state institutions 3. Absence of clear investment pathways 4. Lack of awareness of opportunities

All their woes can be solved with a single solution

Why?

The way it works today is Exclusionary, Uncertain and Confusing

B2G is a global network of ambitious entrepreneurs armed with all the tools and knowledge to make tendering easy and accessible for all

All Tenders at one place

Bringing all tenders across the globe on a single portal with a global search

Documentation and Compliance support

In-portal services to make bid documentation and compliance procedure seamless

Tender Support

On-platform specialized local lawyers teams to help you run the tender application and bidding process till your win

Accessible Banking Options

On-platform incorporated B2G Bank offering a group of specialized products for participants in public procurement

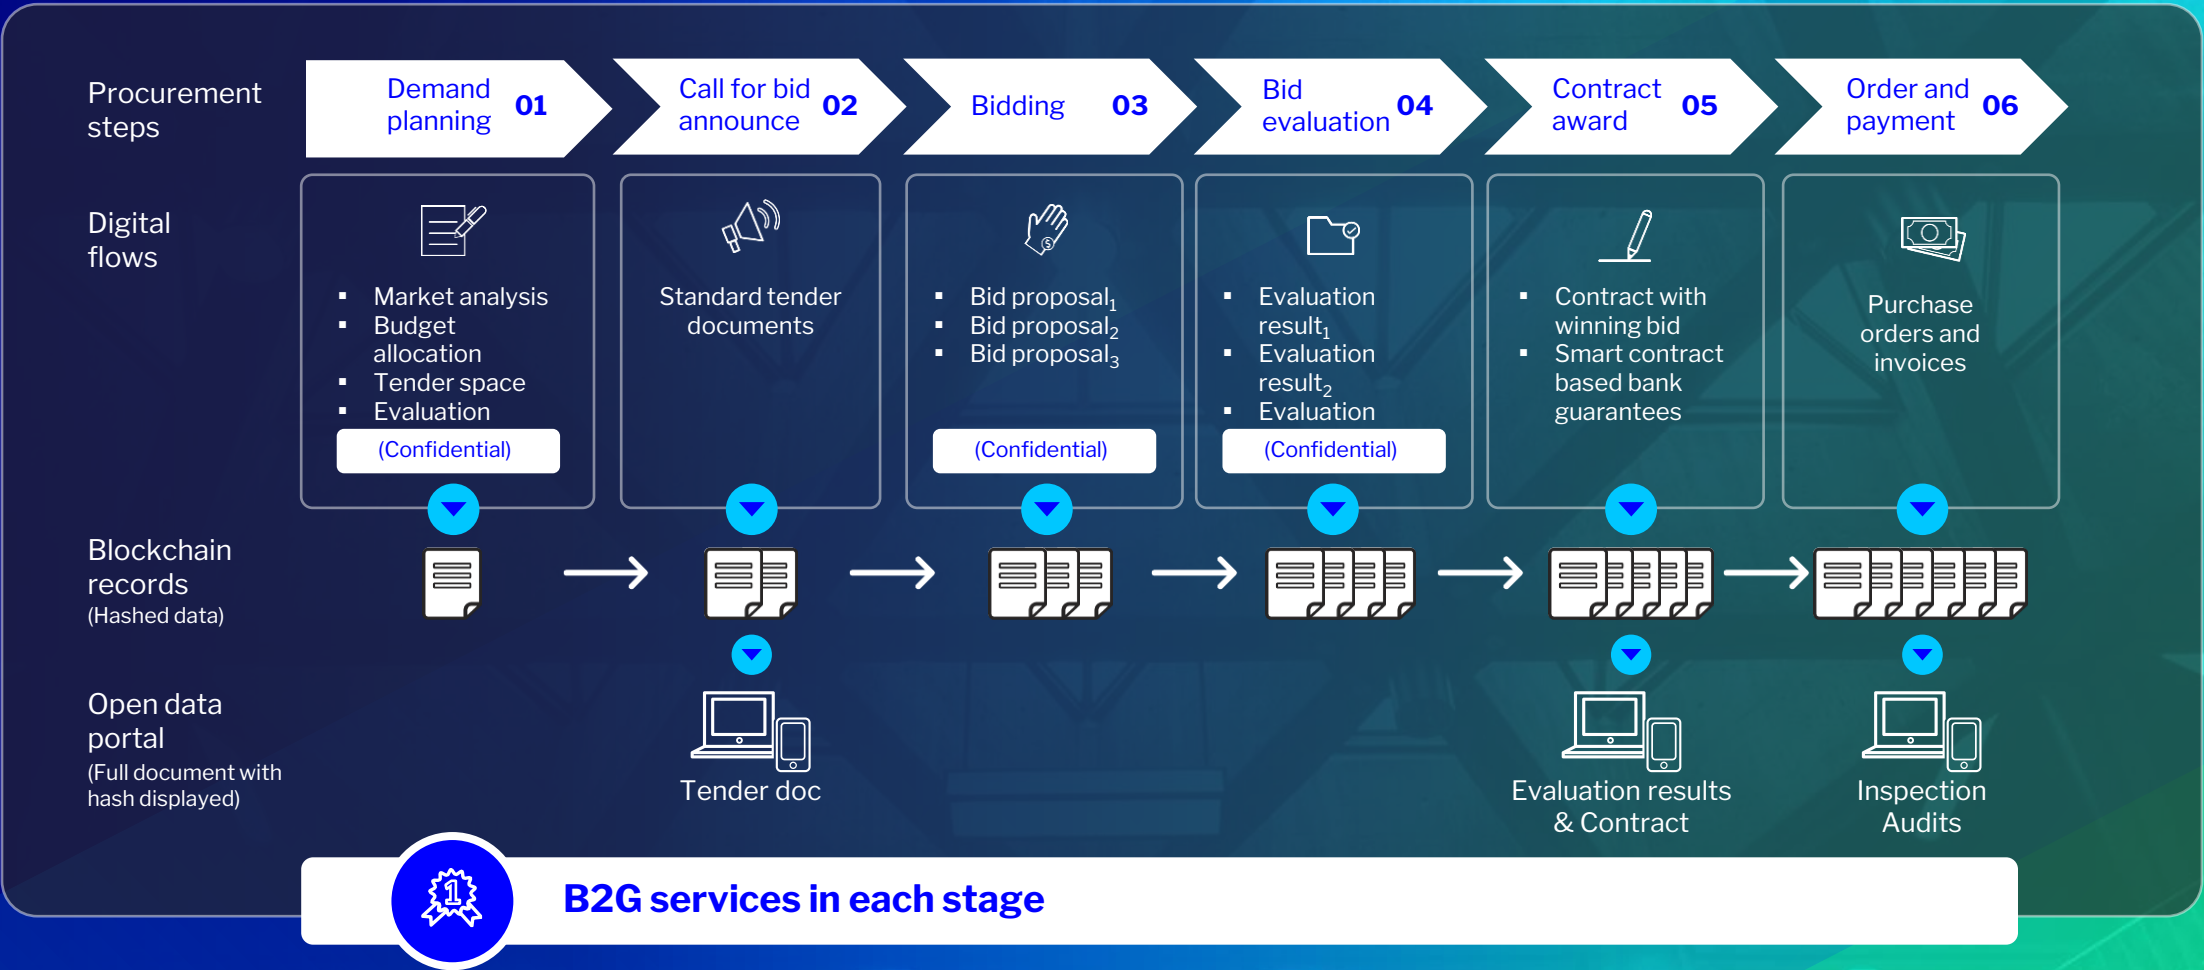

SME Ecosystem

B2GBook acting a global database of SMEs rated on various performance parameters

How it Works

Figure 2. Tracking procurement workflows on blockchain

Solving for both distribution and discoverability

We distil and display important information about participating firms to make all decisions informed and secure.

Public procurement is one of the most secured and growing markets in the world

Europe
\$2T

USA
\$2.2T

East Asia
\$2.9T

Market Stability

Among 22 OECD-EU countries for which data is available, public procurement increased from 13.7% of GDP in 2019 to 14.9% of GDP in 2020 during the pandemic.

High TAM

Global expenditure on procurement is estimated at nearly 9.5 trillion US dollars per annum

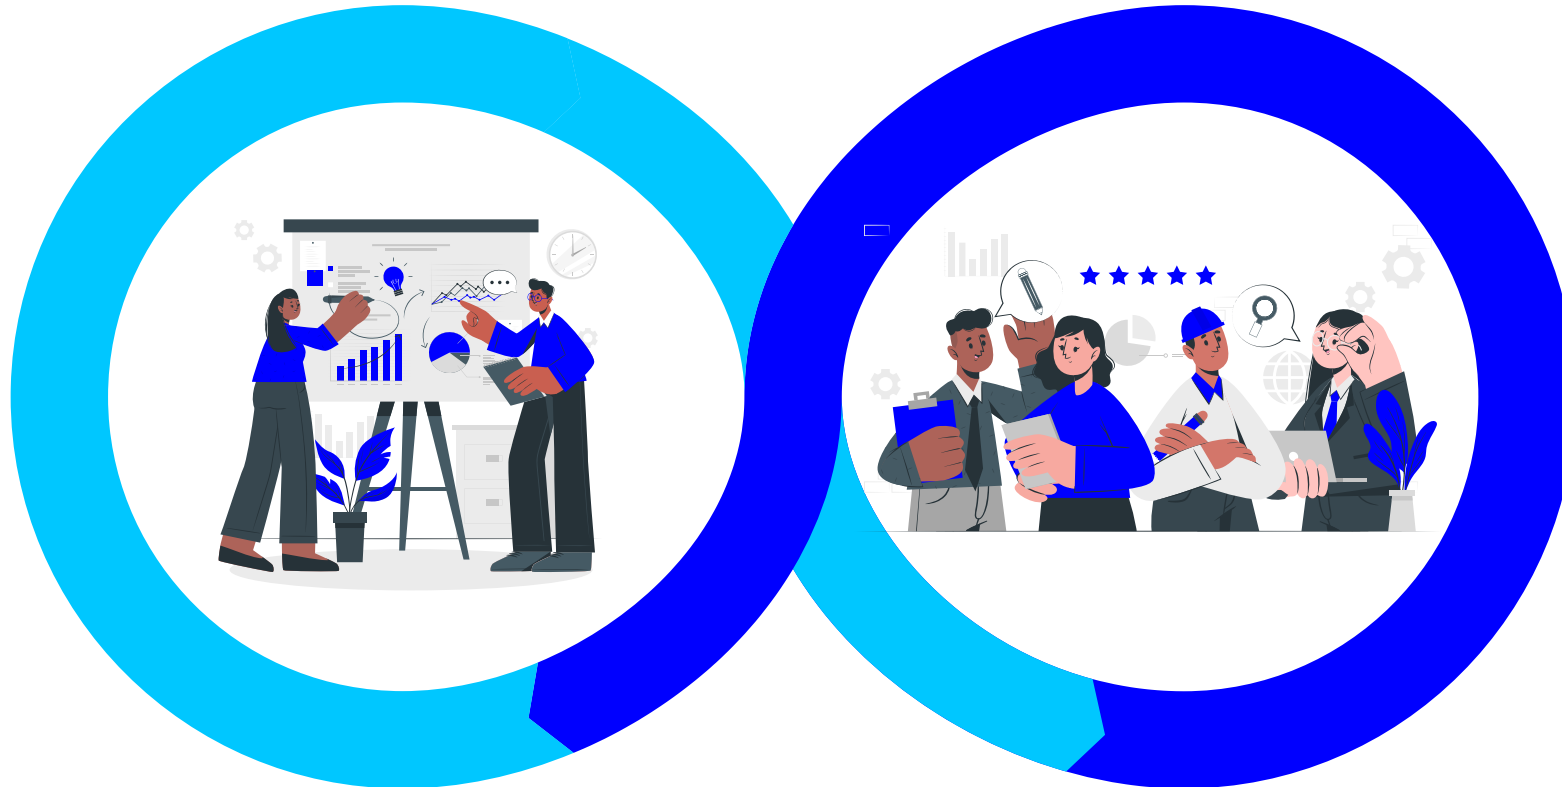

Diverse Market

Public procurement covers all sectors such as infrastructure, transport, communication, energy, and research and development

Unlocking expertise **from every corner**

B2G enables public procurement experts to offer consultancy, advisory and other services to SMEs

SMEs can access information previously only available to big corporates by hiring their best employees as consultants

Experts can recurrently monetize their domain knowledge outside the shackles of a regular job

We are not just building a new product, but forging a new market

	B2G	Private Aggregators	Government Platforms	
Global Tenders Aggregation	✓	✓	✗	Global Opportunities
Tender Documentation Support	✓	✗	✗	Easy and quick process
Bidding Process Support	✓	✗	✓	Modern and simple UI
Guided Sub-contractor selection	✓	✗	✗	Diverse financing options
Verified and Open Public Procurement Network	✓	✗	✗	No Gate keeping
Banking Services and Secured transactions	✓	✗	✓	
Global Knowledge database	✓	✗	✗	

Revenue Model

The developed world has mature democracies ready to leverage blockchain

We are taking B2G to them first

Locate and verify all tender participants in these countries over the last 7 years.

Onboard them on the platform.

Leverage our supplier networks to find more companies and onboard them.

Target upcoming companies on social media.

Educate investors on the opportunity

On boarding govt departments as partners

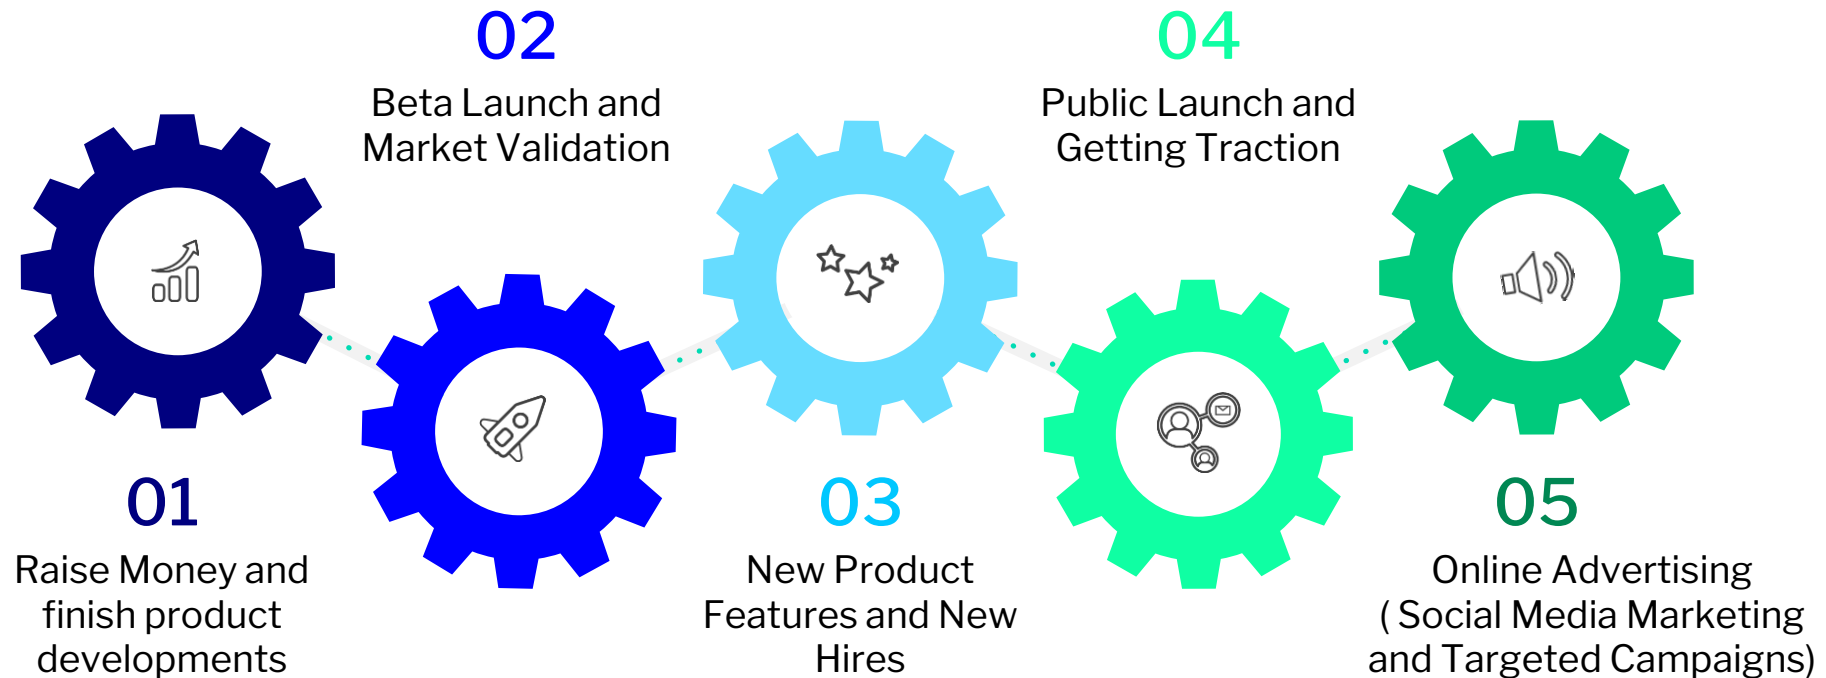

Roadmap

Term	1 st Quarter	2 nd Quarter	3 rd Quarter	4 th Quarter
Software Development	Initial planning		Native Platform Launch	
Marketing	Construction of Digital World		Launch Targeted Marketing Campaigns	
Onboarding			On boarding select early adopters	

The Ask

We are looking for \$10M In Funds

To finish development of our product, release a beta, launch new offices, and hire key staff
